Summary: Do you? HUH!? ANSWER ME WHY DON'T... It's poetry.

Do You Love Her?

Do You Love Her?

>
 a/n ~sigh~ In the "real" world, I've been told my poems are good. Well, I guess I decided to release one. Who do you think the couple in this story is? Or rather who do you WANT the couple in this story to be?

>
 Do You Love Her?

>
 Thoughts of a young man whose love left him

>
 Do you love her?

>
 I hate love.

> I hate HER.
 I mean, she was just like love:

> Cynical, maniacal, and sometimes down right nasty.

> Do you love her?

> No matter how hard you try.
 You'll still get hurt.

> I don't know why I ever bothered with her.
 All she left me with were a few pennies and a lot of pain.

>
 Do you love her?

>
 It's all her fault.

> If she would have tried to make it work,
 then she wouldn't have started that fight.

> She shouldn't have blamed me.

> Do you love her?

> She could have been nicer.
 She didn't have to be so cruel.

> She could have tried to be more understanding.
 She didn't have to be so unreasonable.

>
 Do you love her?

>
 She'll come back.

> I know she will.
 I don't have to go after her.

> She'll come back begging my forgiveness.

> Do you love her?

> I guess I wasn't the best I could be.
 I mean, often I'd dose off when she was talking.

> I'd always laugh when she made mistakes.
 I don't think she ever did that.
>
 Do you love her?
>
 We did have fun together.
> I mean we'd always share our Sunday.
 When our song came on, it was like magic.
> We would get up and dance, no matter what.

> Do you love her?

> She'd always help me out.
 When I lost my job,
> she helped me look for a new one.
 She'd always cheer me up when I was blue.
>
 Do you love her?
>
 I haven't dated at all since she left.
> I'm thinking, keep an open door, right?
 I want her to come back.
> Maybe I should go back to her.

> Do you love her?

> I should call her.
 I mean, that's why I looked up her phone number.
> Maybe we could get together some time.
 It wouldn't be that bad.

>
 Do you love her?
>
 She was beautiful.
> Smart, too.
 In all aspects, she's perfect.
> I'll never know why she chose me.

> Do you love her?
 I hate her.
> Do you love her?
 She hurt me.
> Do you love her?
 It's her fault.
> Do you love her?
 She never did anything.
> Do you love her?
 She'll come back.
> Do you love her?
 I could have been better to her.
> Do you love her?
 We always had a great time.
> Do you love her?
 She would always help me.
> Do you love her?
 Maybe I should go back.
> Do you love her?
 I should talk to her.
> Do you love her?
 She was perfect.
>
 Do you love her?
>
 Yes...yes I do.
>
 a/n Forget what I said. Just put the couple I like, but don't expect me to make it your favorite couple or the couple you think~pauses~ unless you know me and know which couples I like.

End
file.
